

CHANGE MAKING EDUCATORS

PROFESSIONAL DEVELOPMENT COURSE FOR:

- TEACHERS
- TRAINERS
- SOCIAL EDUCATORS
- YOUTH WORKERS

NEXT EDITIONS

20TH - 25TH MARCH 2017

2ND - 7TH OCTOBER 2017

Aims and programme

The course is organized in sequential sessions aiming at progressive outcomes towards the empowerment of the participants to implement educational actions in their context. The objective is to use tools for innovation for schools, training centers and other educational organizations. Each day focus on special tools but participants will get deeper in their own project. The sessions are hands-on and action based, using a path based:

learn-reflect-do-share-multiply

The topics addressed:

- Demystify the common senses of: **Learning, Innovation, Community Development**
- Recognition of **self-power** to face the risk-society/societal challenges and gain innovation
- The potential of informal and non-formal educational actions to

create **change for the world**

- Big challenges but, addressed by **small and simple practices**
- Design for action: **prototyping and testing projects** to take away

DAY 1 » Team building

DAY 2 » Recognizing own talents and opportunities to be a change maker

DAY 3 » Myths and Truths on Educational Innovation

DAY 4 » Design Thinking for Education

DAY 5 » Meeting examples and sharing experiences

DAY 6 » Develop a take-away project

Fee: 970,00 Euro, including accommodation and meals.
See grants at your ERASMUS+ National Agency (KA1 actions)

FIGUEIRA DA FOZ - PORTUGAL

The workshop will happen in an informal climate, including outdoor (beach, garden, streets) and indoor sessions. The hosting city – Figueira da Foz – is a small sea-side municipally, easily connected by public transports from the airports of Lisbon and Porto.
